USAF Auxiliary
Building 3-108
Ft. Indiantown Gap

Dear Lt Col. Robert L. Meinert:

I am the owner of Warren Airpark landing strip 7PA1 in Warren, PA 16365. I am pleased to offer the Civil Air Patrol use of our facilities, as your needs arise, for the year 2008, subject to the F.A.A.'s and Pennsylvania Bureau of Aviation rules and restrictions of our license which is private group. Also you would need to carry whatever insurance protection you deem necessary.

I hope this letter meets your needs and look forward to a long and friendly relationship with the Civil Air Patrol.

Sincerely,

Emory J. Mahan
