

2008 Navigation Weekend!!!

Come to Hawk Mountain Ranger School September 6-7 and learn the navigation skills needed for Search & Rescue!

Photos by FO Glenn Koehler

- Where:** Col Phillip Neuweiler Memorial Ranger Training Facility, Hawk Mountain Ranger School.
- When:** Sept 6- 7 2008 Check-in begins at 0800 hours – dismissal at 1330 hours on Sunday
- Who:** Any Cadets or Officers (Sr) who are interested in receiving navigation training toward Ground Team and Ranger Grade certifications.
- Cost:** \$5.00 per student

Two Courses of instruction are being offered:

- 1) Basic Course-** Designed to cover all navigation skills from beginner through the R-2 level. Classroom instruction is supplemented by practical field exercises. Intense navigation classes and exercises are combined with Search and Rescue applications. Course addresses prerequisites for R-2 and some of R-1 navigation - Compass use, map interpretation, course plotting, Latitude/Longitude and more
- 2) Advanced Course** – Covers navigation skills from R-1 and R-Adv Navigation. Review of all basic navigation, UTM, aeronautical navigation including VOR and plotting terminal approaches, make navigation training courses for your home squadron.

Weekend activities will include an orienteering competition. The winning team will receive an award at this year's PAWG Conference!

Students will spend the entire weekend outdoors!
